

Charlotte Flight Standards District Office FAA Team presents:

2016 Carolinas Aviation Regional Safety Seminar (CARSS)

At this event there will be several brakeout 50 minute sessions will be available for your choice. They will be presented in the Main Duke Energy Hanger and in the Aviation Museum close to the "Miracle on the Hudson" aircraft. Our Featured Speaker, Jeff Skiles, First Officer, "Miracle on the Hudson" will be presenting his exciting and rendering experience of "Crisis Management at 3,200 feet".

Vendors representing over 45 companies will be present to share their technology and there will be an unprecedented amount of static aircraft to view along with surprising door prizes !

To sign up for CARSS event click here: <https://www.signup4.net/public/ap.aspx?EI D=2016732E&OID=50>

Directions: From Interstate 85 take Billy Graham Freeway towards Charlotte. At second redlight turn right onto Morris Field Drive and go approximately 75 yards and turn right onto Minuteman Way Drive. Go to end and turn left on First Flight Drive. Duke Energy hanger is on the right as you drive up the hill towards the museum. Parking signs will be placed showing you where to park.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
